(RESIDENTIAL PORTFOLIO)

AS

Ardor is multidiscipline Architectural Studio from Delhi/N.C.R We are an absolute combine team of astute minds whose pragmatic approach is to equip effective as well as creative logical solutions. Ardor was born in 2016 with two young architects, today is.. team of Designers and Civil engineers shaping the way spaces feel around us.

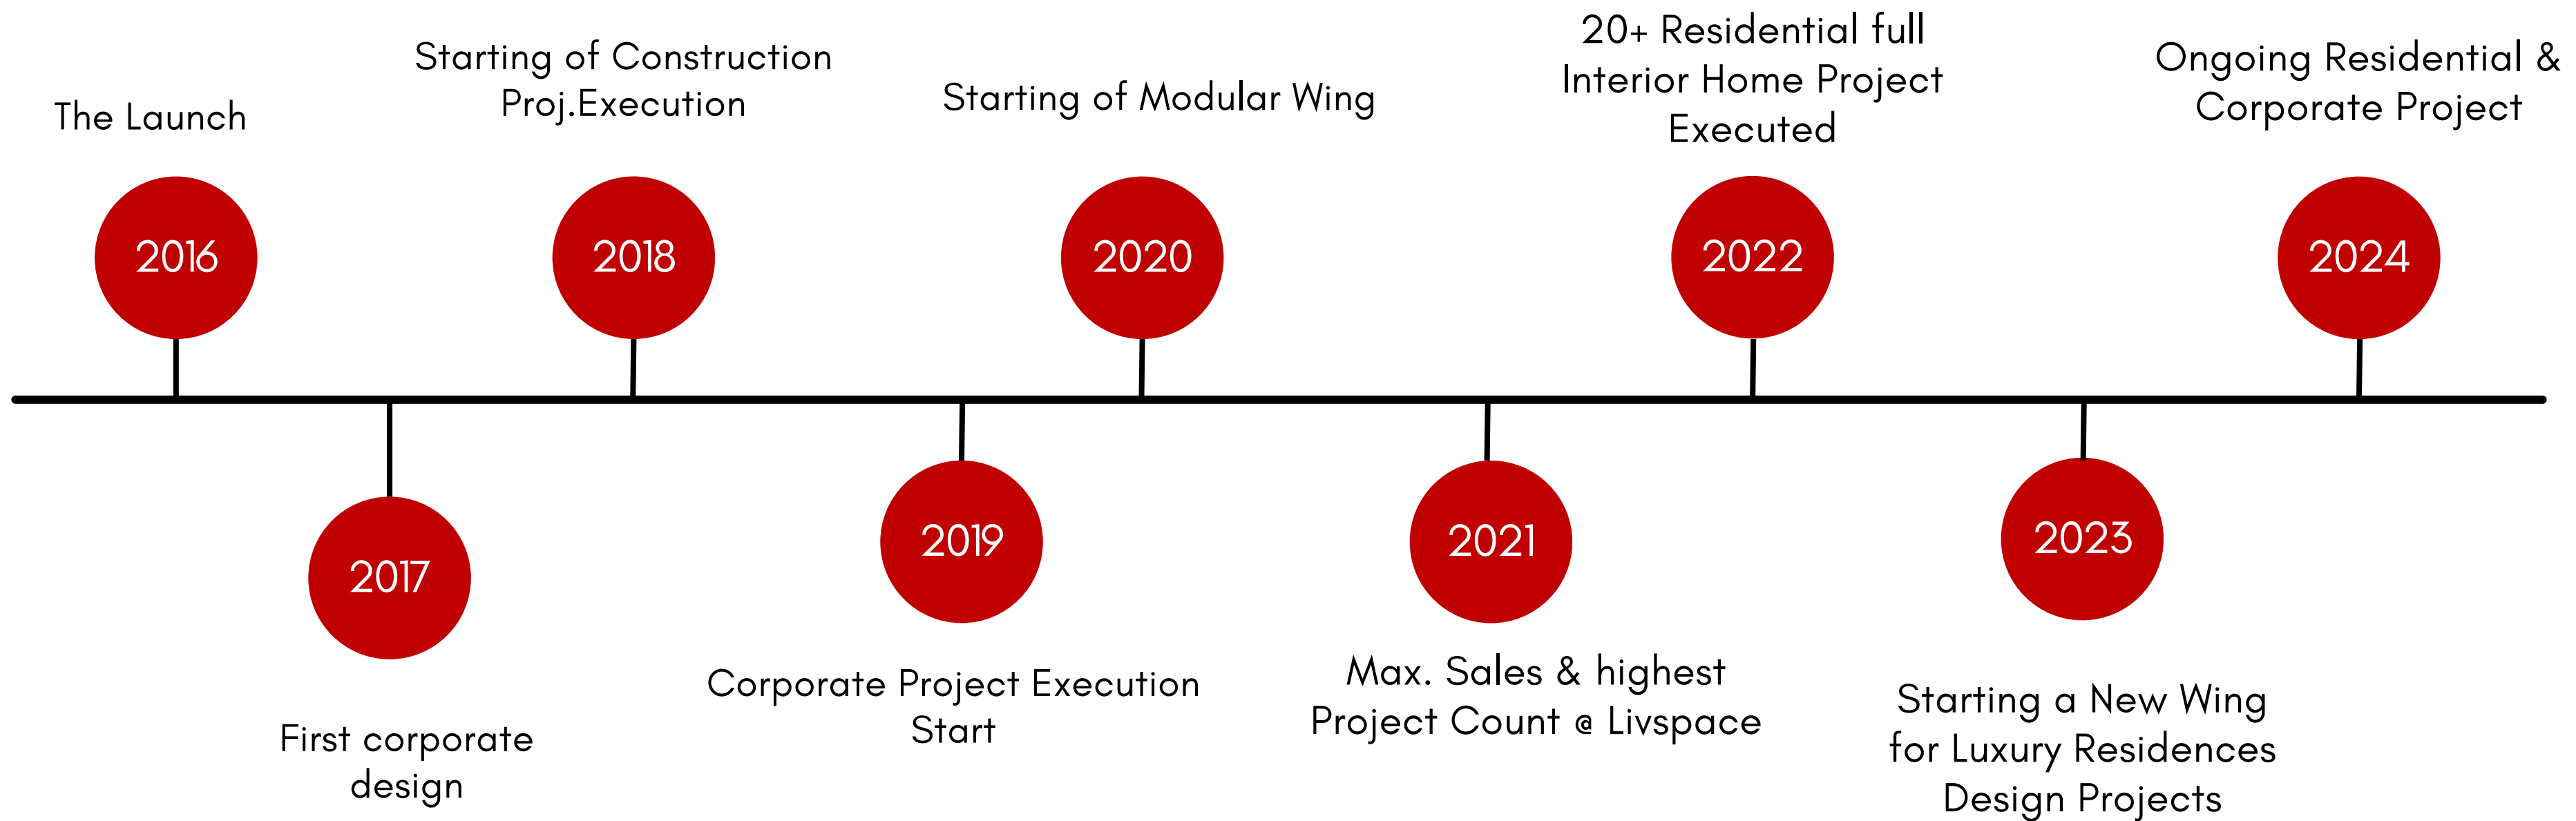

Ar. Sahil Sharma  
Founder and CEO

## Leadership

A senior Architect turned Entrepreneur in 2016 – Architect Sahil Sharma had been a very Diversified journey so far with the best of experience in the World of Architecture.

Sahil has previously worked with the biggest players of Indian Market. He says “It was my luck to be associated with my dream architects in my early career”. Having persuade bachelors from Apeejay School of Architecture and planning, Sahil was his college representative at various national/international platforms in his college days. Was elected President for NASA India, Northern Region in 2012.
